

### **Heineken Holding N.V. Amends Agenda for Annual General Meeting of Shareholders**

Amsterdam, 9 April 2009 – Heineken Holding N.V. today announced that it has decided to amend one proposal of the agenda of the Annual General Meeting of Shareholders (AGM) on 23 April 2009.

The proposal to be amended is:

- **Item 6a) Extension and amendment of the authorisation of the Board of Directors to acquire own shares**

The original proposal reflected a change in Dutch legislation, which now permits the repurchase of 50% of the issued share capital. However, given shareholder feedback and only a theoretical possibility that Heineken Holding N.V. would take advantage of the new legislation, the proposal will be amended in such a way that the maximum number of shares that may be acquired under the authorisation will remain limited to 10% of the issued share capital of the company.
